CHARGING AND REMISSIONS POLICY

1. Policy Statement

- 1.1 The general principle at Horizons College shall be that no learner should be prevented from undertaking any course or taking part in any essential activity because of their parent's / carer's ability to pay.

2. Management and Guidance of Charging and Remissions Policy

2.1 Local Governing Committee (LGC):

- a. The LGC of Horizons College has decided that until further notice its policy will be as stated below.

2.2 Day Visits:

- a. Horizons College is committed to providing activities that enhance the curriculum and extend learners learning opportunities. In most cases Horizons College will fund these activities but parents / carers will sometimes be invited to make a voluntary contribution towards the cost of an outing. Occasionally an activity may have to be cancelled if there are insufficient voluntary contributions to cover the cost.

2.3 Residential Visits:

- a. Parents will be expected to meet the cost of the learners' board and lodgings as well as make a contribution towards additional costs e.g. travel, entrance fees etc.

2.4 Materials:

- a. No charge is made for materials or equipment and learners are, in most cases, allowed to take home items they have made in food technology, free of charge. Parents / carers may be asked to contribute towards the cost of learners cooking their own mid-day meal.

2.5 Funds:

- a. All parents / carers are invited to pay a nominal amount on a voluntary basis so that each Cohort can provide daily drinks and snacks for learners.
