

## Why are the staff wearing that?

	<p>The Coronavirus is still making some people sick.</p>
	<p>We need to make sure you keep safe and healthy until the Coronavirus has gone.</p>
	<p>The staff at college want to help you to keep safe and healthy.</p>
	<p>To make sure you are safe and healthy the staff might put on:</p> <ul style="list-style-type: none"><li>• Face masks</li><li>• Plastic gloves</li><li>• Plastic aprons</li></ul>
	<p>You might feel a bit scared if you see staff wearing these. It might be a bit scary because you can't see people's faces properly.</p>
	<p>It is ok if staff wear masks, gloves and aprons. This is a good thing to do because it keeps you and staff safe and healthy.</p>
	<p>Coronavirus spreads by:</p> <ul style="list-style-type: none"><li>• Getting very close to other people.</li><li>• Sneezing</li><li>• Coughing</li><li>• Spitting</li><li>• Not washing your hands</li></ul>

Staff wearing masks, gloves and aprons helps to stop you and staff getting sick with Coronavirus.

It makes sure you and staff are safe from Coronavirus.

If you are worried or scared about the Coronavirus you can talk to the staff, your families or your carers.
